Who we are?

Panwa Group, founded in year 2000, is accounting, auditing and tax-business advisory firm based in Bangkok and Phuket.

Our specialist teams of accountants and auditors plus a pool of experts in our network make sure your jobs are in the hands of professional personnel.

All Audit staffs have accounting degree from university and continue to study by attending seminars by government departments and private organizations, as well as by in-house learning program. Every year audit staffs have to sit in the internal examination as part of their promotion assessment.

All auditors hold valid CPA certificates.

As experienced Thai accountants and auditors we understand the complexity and changes of Thai laws and regulations. We are also constantly updating ourselves to be able to provide our clients up to date information and the best services for the success of their businesses. Whenever necessary we inform our clients of news and changes and updates related to their business and taxation matters.
